- 10.) Logout

TECHNIQUES FOR BUILDING CONFIDENCE

Confidence-building strategies

ENGAGING THE AUDIENCE

- Make eye contact with your audience to create a sense of intimacy and involvement
- Weave relatable stories into your presentation using narratives that make your message memorable and impactful
- Encourage questions and provide thoughtful responses to enhance audience participation
- Use live polls or surveys to gather audience opinions, promoting engagement and making sure the audience feel involved

EFFECTIVE DELIVERY TECHNIQUES

This is a powerful tool in public speaking. It involves varying pitch, tone, and volume to convey emotion, emphasize points, and maintain interest.

- Pitch variation
- Tone inflection
- Volume control

Effective body language enhances your message, making it more impactful and memorable.

- Meaningful eye contact
- Purposeful gestures
- Maintain good posture
- Control your expressions

NAVIGATING Q&A SESSIONS

- 1. Maintaining composure during the Q&A session is essential for projecting confidence and authority. Consider the following tips for staying composed:
- 2. Stay calm
- 3. Actively listen
- 4. Pause and reflect
- 5. Maintain eye contact

SPEAKING IMPACT

Your ability to communicate effectively will leave a lasting impact on your audience

Effectively communicating involves not only delivering a message but also resonating with the experiences, values, and emotions of those listening

IT POLICIES

IT policies are essential guidelines that help manage and protect an organization's information technology resources.

- 1. Security Policy (Protect IT system and Data from unauthorized access, branches and other security threats.)
- 2. Data Protection Policy (handle and protect sensitive and personal data)
- 3. Network Security Policy
- 4. Disaster Recovery Policy (recovery plans / Backup Strategies)
- 5. Softwere Usage Policy (Licensing / prohibited softwere)

I AM USING SOME IT POLICIES LIKE:

- 1. Authentication
- 2. Authorization
- 3. Hosting Website

THANK YOU
